Are you an Indigenous Youth interested in the trades?

Urban Circle may have an excellent opportunity for you!

Urban Circle/PITC Sprinkler Installer Pre-Apprenticeship Training Program

Urban Circle Training Centre is currently recruiting for a 10 month Sprinkler Installer program that will start in September 2017

Please refer any students who meet the following criteria

- First Nations, Metis or Inuit: Men, Women or other
- Grade 12 graduate
- Aptitude and strong interest in the trades
- Driver's license an asset
- Excellent attendance and accountability
- Community involvement an asset
- EI or EIA recipient

Graduates completing this 10 month course with an average of 70% or higher will achieve Level 1 accreditation in the Sprinkler installer which could lead to Red Seal certification.

Starting wage on completion of this course is \$20+/hr.

Urban Circle will assist candidates to secure funding + provide wrap around supports.
