

Kayla Sittler, recipient of the Ilene Meder Scholarship, now works at Urban Circle Training Centre.

Foundation Feature

Scholarship helps recipient flourish

Kayla Sittler had already begun to turn her life around after the birth of her daughter, but support from the **Ilene Meder Scholarship** allowed her to complete her transformation. After graduating from CDI College's Office Assistant program, she found a position at Urban Circle Training Centre.

The Ilene Meder Scholarship is designed to support Winnipeg high school students who demonstrate financial need and would otherwise not likely be able to continue their studies.

Since it began in 2010, 17 students have received almost \$214,000 in support. Ms. Meder's Fund has also supported The Foundation's *You Can Do It Awards*, which allow students in selected inner city schools to earn scholarships to put towards their post-secondary education.

If you'd like to make a gift securely online to the Ilene Meder Fund or learn more about scholarship funds at The Foundation, visit wpgfdn.org.
